I'm asking for assistance with the housing issues I reported to your office on or around
January 7th, 2026. Full details are contained within my original correspondence. In essence,
my landlord at 26 Sanderson Avenue, Lynn, MA was grossly negligent in his duties, the room
I rented was not in habitable condition for most of my stay, and after repeated efforts to
work with him failed, I was forced to report the issues to the Lynn BOH, and to eventually
move out. I'm attaching both the 93A demand letter and my public letter along with this.
